Dear Parent / Carer,

Academy Trousers

Principal ~ Mr David Hooker

Due to the vast range of school trousers which are available in the shops we often have students arrive at the academy in inappropriate uniform. Students, with support from pastoral staff are then spending time changing their trousers, or are unable to attend lessons due to their incorrect uniform.

To resolve this situation and make it fair for all students we will be phasing in new DCA uniform trousers for boys and girls. These will be the same charcoal colour, but will have DCA stitched into the side of the trousers. These will be available from our uniform shop at a cost of £13.50.

The new Year 7 cohort (currently Year 6s) will all be expected to have these uniform trousers and will be able to order them during the transition days.

If your son or daughter is currently attending at DCA they may continue to wear their school trousers as long as they are in line with our current expectations: charcoal grey, regular fit. "Skinny fit" trousers or legging styles are **not permitted**. You may purchase the new trousers from the academy uniform shop as and when you need your son/daughter requires a new pair. We would expect all students to be in the correct style of DCA trousers by the start of the following academic year (2018/19).

If a student attends in incorrect uniform they will be offered the opportunity to change it in school and borrow from our uniform stock; if they refuse they will not be permitted to attend lessons and may be issued with a Fixed Term Exclusion as a last resort.

Please do not hesitate to contact me if you have any questions/queries.

Regards,

D. Hooker: Headteacher
