We have an exciting opportunity for an exceptional teacher to join our Maths team. You will be a Maths specialist with the ability to inspire and motivate students using your knowledge and enthusiasm of the subject.

The Mathematics Department at Djanogly City Academy (DCA) is an energetic and exciting environment. It has grown in strength with the current team, and we are ready to build on the solid foundations laid. We are looking for a passionate and driven individual who wants to contribute to the current teaching and learning strategies at DCA and develop their own teaching practice.

Our Academy boasts the use of innovative lessons and is keen to deliver high quality and inspirational learning experiences for all students.

The Djanogly City Technology College opened in 1989 and became the Djanogly City Academy in 2003. DCA is an ever-improving academy, conceived to offer life-changing education and opportunity to the children of its diverse community. Primarily serving the residents of Hyson Green, the Academy is located over two sites. The Gregory Boulevard site is housed in a stunning, state-of-the-art building, designed by Norman Foster. The Sherwood Rise site occupies a modern purpose built building with first rate facilities. Both sites have free onsite parking for staff and excellent transport link. Nottingham City Centre is less than 1.5 miles from either site and London is just over an hour away by train. The surrounding areas of Hyson Green and Sherwood are vibrant and host a range of shops, pubs and restaurants. Nottinghamshire, situated in the very heart of England, is a great place to live and work. With affordable housing in urban and rural areas, Our city and county schools are an easy commute away from the popular residential areas of West Bridgford, Wollaton and Beeston.

We offer a host of benefits to all our staff. These include the Teachers' Pensions Scheme and the Local Government Pension Scheme, excellent professional development, annual progression through salary scales with the potential to go up 2 scales with outstanding performance, 20% PPA time, reduced gym membership at Djanogly Leisure Centre and other City gyms, free annual flu jabs, low cost food at lunchtime, free tea and coffee, childcare vouchers, bus pass payment plan and Tram 2 Work scheme.

In April 2014, the Torch Academy Gateway Trust, now known as the Nova Education Trust (NET), began working with DCA to help develop the academy further, ensuring the very best outcomes for all its students and top class training and support for staff. DCA's partnership with NET allows us to offer a truly unique suite of professional development and career progression pathways. We are fully committed to the continual professional development of all staff.

Please visit www.djanogly.notts.sch.uk/work.php for more information about working at DCA or contact our recruitment team at DCAJobs@djanogly.notts.sch.uk to arrange a visit or discuss the role further.

We look forward to speaking to you soon.
